NO EXCEPTIONS!

We're here for you!

As we are now serving over 150 families in the Waunakee area, it is difficult to call each of you every month. All of us at WNC do care about you and I'd like to encourage you to please keep in touch on a monthly basis... via an e-mail or just a quick phone call. Remember to utilize the many resources that we offer—WEB, JFF, Dane County Public Nurse, etc. *Genna*

Thankful Hearts

As you know the Store is smaller than before. With that, we need to be attentive of other families and space. In addition, as you receive your items, please remember to be thankful and grateful for those things. Donors have graciously given and we need to be forever mindful of that. Without them, we would have no Store.

Needs List

Please check your client sheet each month as you visit. It is very important that we have all current information about you. Also, in order to continue to meet your needs, we need you to keep that list updated—if a need has been met, please make sure to tell us. We sent out your needs to many, many donors and it is vital that we keep that list current!

Thanks for helping with this to allow us to meet your needs and better serve you!.
